

Registering a User Account

If the company you are joining already exists, you will need to request an invitation from an administrator. You will receive an email prompting you to accept the invitation. Simply click the **Accept** button and you will be redirected to the registration page. Fill out the required fields and accept the terms and conditions, once complete, click on **Submit**. You will then be redirected to the login page where you can enter the website using your details provided during registration.

The image shows the Myfridgeonline registration page. At the top is the Myfridgeonline logo. Below it, a message states 'Carel has invited you to join as a User' with a subtext 'To get started, create an account'. The registration form contains the following fields: Name *, Surname *, Email *, Password *, Confirm Password *, Cell Number (with a dropdown for country code, currently showing +27), and Language *. At the bottom, there are three checkboxes: 'I accept the terms and conditions' (with a link to 'View'), 'I accept the privacy policy' (with a link to 'View'), and 'I consent to 3rd party technical support and facilitation' (which is checked). A 'Submit' button is located at the bottom right of the form.
