

## Registering a User Account

If the company you are joining already exists, you will need to request an invitation from an administrator. You will receive an email prompting you to accept the invitation. Simply click the **Accept** button and you will be redirected to the registration page. Fill out the required fields and accept the terms and conditions, once complete, click on **Submit**. You will then be redirected to the login page where you can enter the website using your details provided during registration.

The image shows a registration form for Myfridgeonline. At the top, the logo 'Myfridgeonline' is displayed in blue and green. Below it, a message reads 'Carel has invited you to join as a User' with a subtext 'To get started, create an account'. The form itself is a white box with a rounded border containing several input fields: 'Name \*', 'Surname \*', 'Email \*' (with a placeholder 'Email'), 'Password \*', 'Confirm Password \*', 'Cell Number' (with a dropdown for country code, currently showing '+27'), and 'Language \*' (with a dropdown arrow). At the bottom of the form, there are three checkboxes: 'I accept the terms and conditions' (with a link 'View'), 'I accept the privacy policy' (with a link 'View'), and 'I consent to 3rd party technical support and facilitation' (which is checked). A 'Submit' button is located at the bottom right of the form.

## The SMRT Cold Label

The image shows a 'SMRT COLD' label. On the left, it lists device information: NAME SMRT COLD (with a circled 1), SN SC2-221025-XXXXXXXXX, IMEI 356220750710680, and MAC 20:30:0f:e0:05:00. Below this, it says 'Made in South Africa', 'My Fridge Online', and 'Mfg. November 2025'. On the right, there is a large QR code (with a circled 2). An arrow points from the text 'Scan QR code to register device' to the QR code.

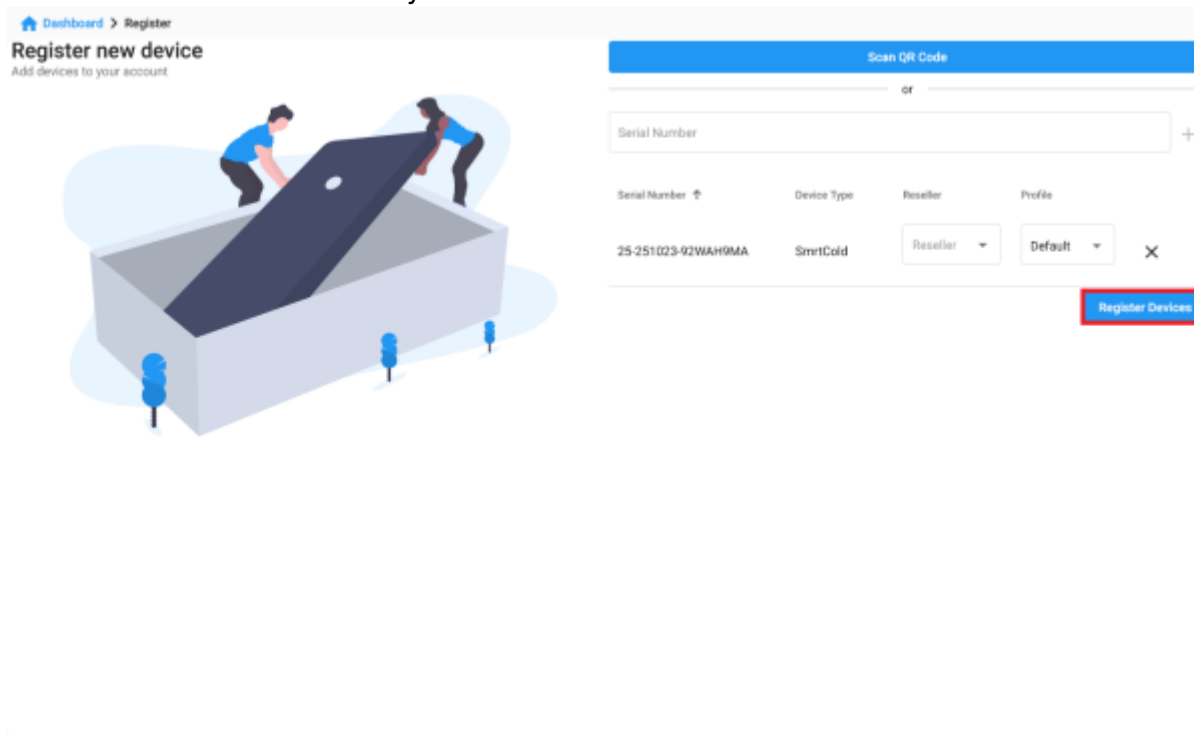

1. Device information. Includes Serial Number (SN). This is used to register device.

2. QR code used to register device by scanning

## Step 2: Registering a Device

### Register Device by scanning QR Code (Auto)

1. In order to register your device, scan the QR code on the right side of the label. You will then be redirected to the device registration page.
2. Here the table will be pre-populated with your device serial number. Simply click on the **Register Devices** button in order to register your device.
3. The device will then be added to your account.

Dashboard > Register

### Register new device

Add devices to your account

Scan QR Code

or

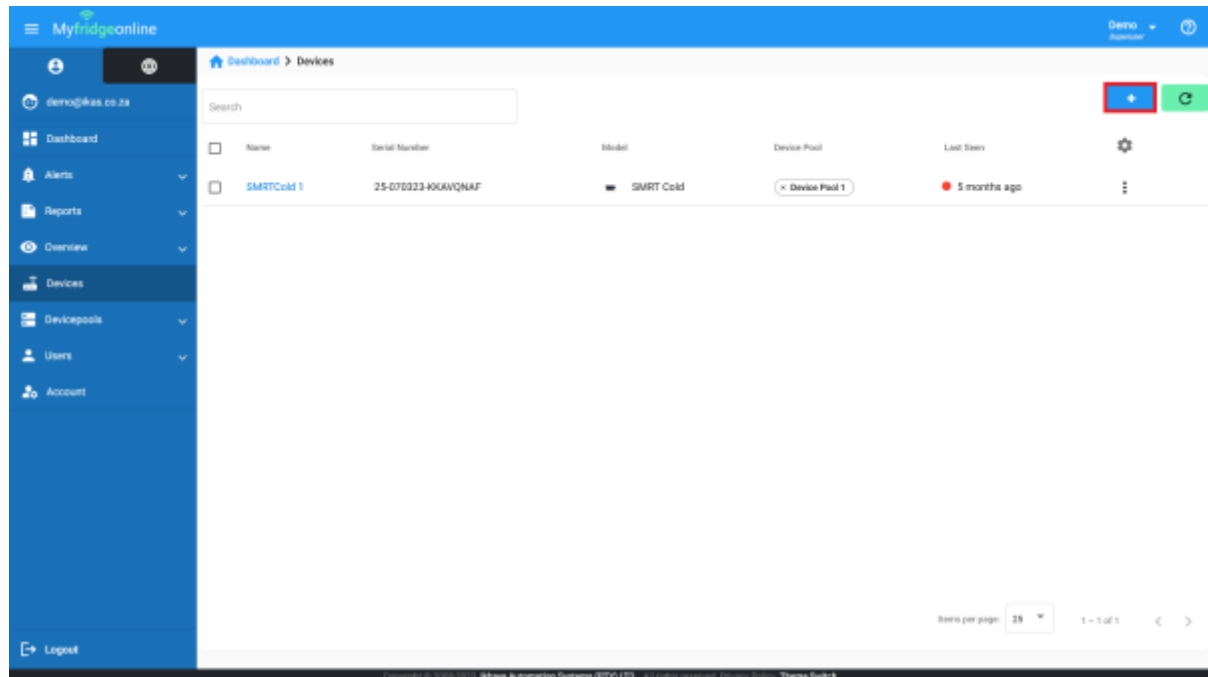

Serial Number

Serial Number	Device Type	Reseller	Profile
25-251023-92WAH9MA	SmrtCold	Reseller	Default

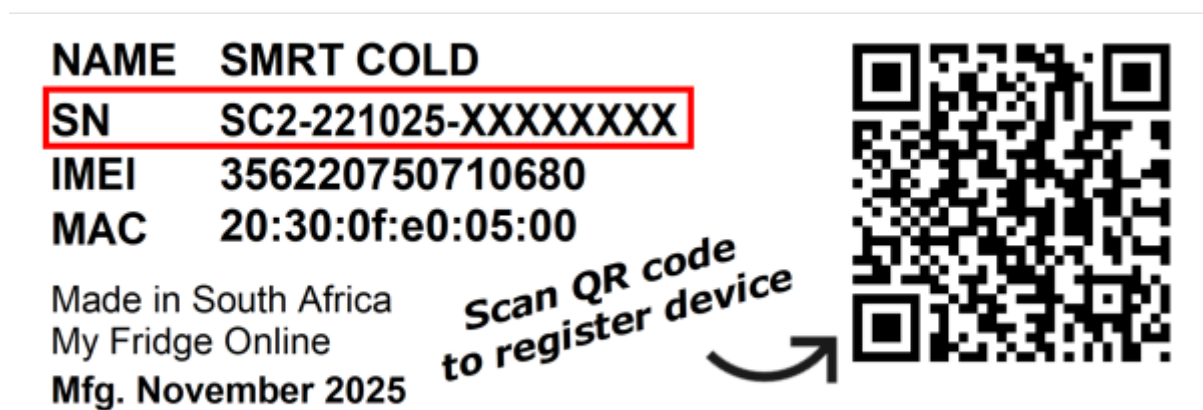

Register Devices

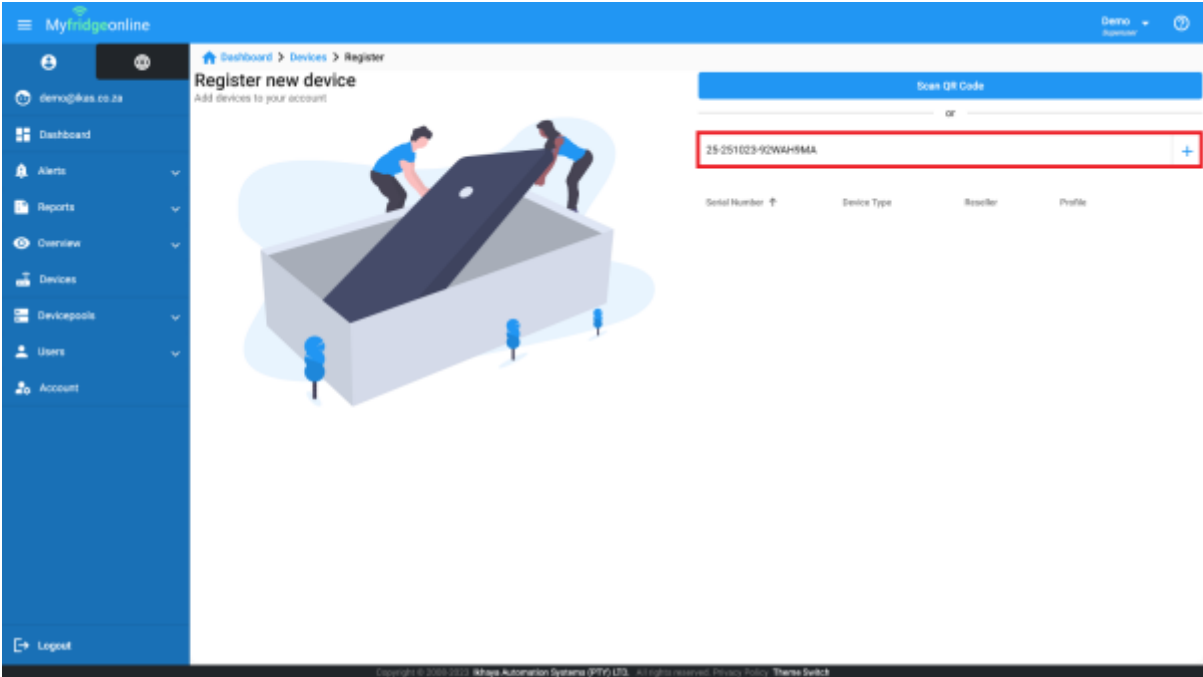

### Register Device with device serial number (Manual)

1. Navigate to the [www.myfridgeonline.com](https://www.myfridgeonline.com).
2. Then navigate to the devices page. The Devices page can be accessed from the side navigation bar by clicking on Devices.
3. Click on the '+' icon (register device) to access the Register Device page.

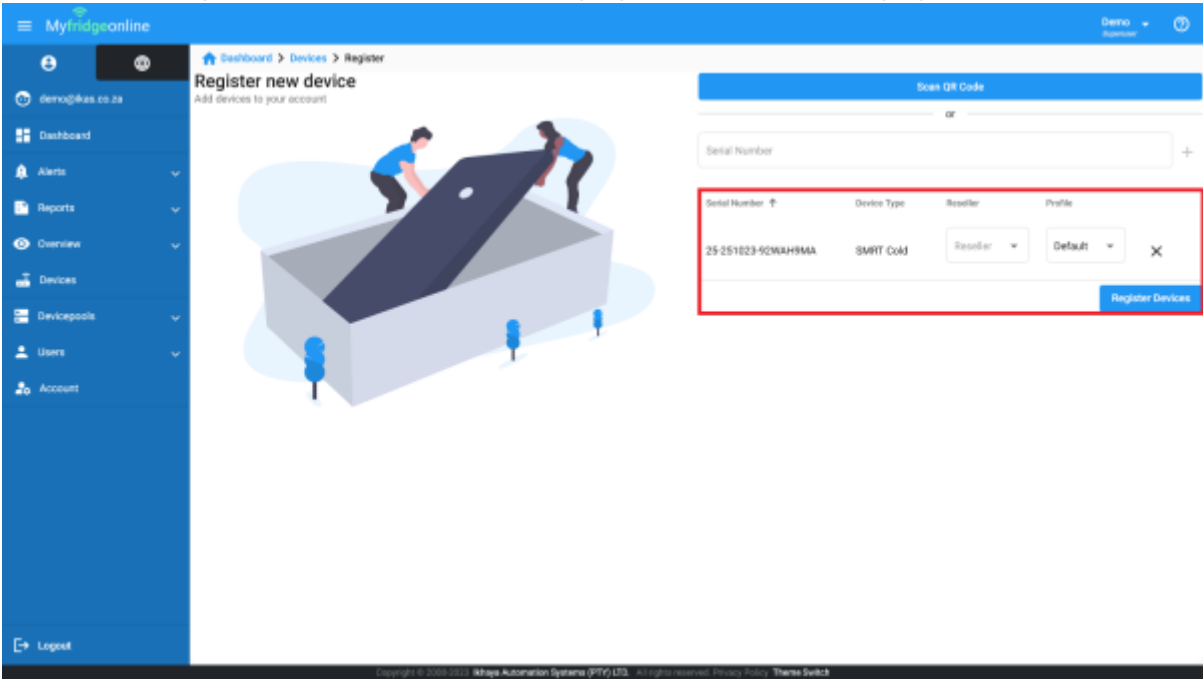

4. Enter the serial number of the device (located on the sticker attached to the device) into the dialog box and press the enter key or click on the '+' icon.

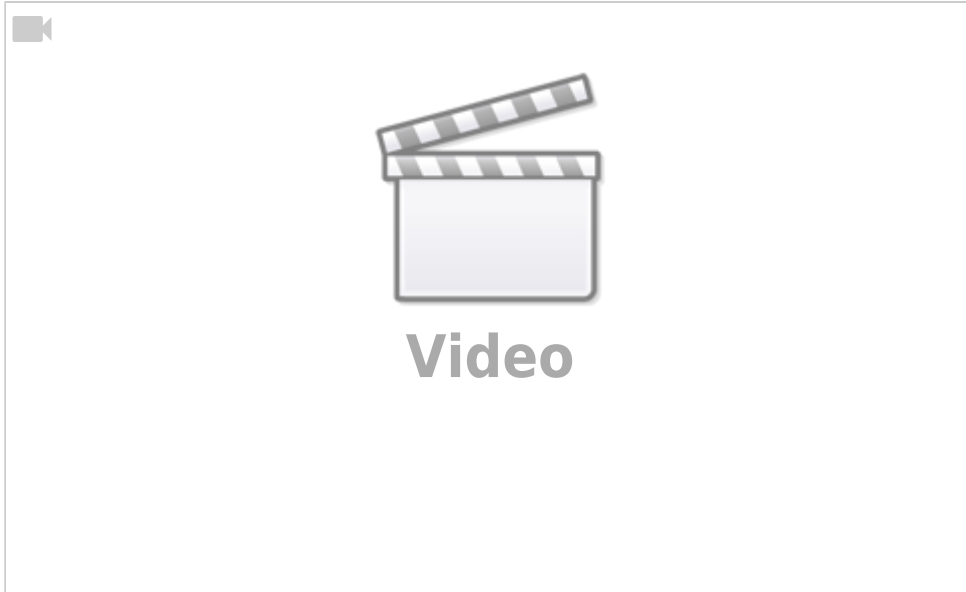

5. The serial number will then be entered into the table. Step 4 can be repeated if multiple devices are to be registered. Once complete click 'Register Devices' to complete registering devices to your account and your devices will then be displayed on the Devices page.

Video Guide

Watch the following video on how to register a device to your account.
