

## Registering a User Account

If the company you are joining already exists, you will need to request an invitation from an administrator. You will receive an email prompting you to accept the invitation. Simply click the **Accept** button and you will be redirected to the registration page. Fill out the required fields and accept the terms and conditions, once complete, click on **Submit**. You will then be redirected to the login page where you can enter the website using your details provided during registration.

The image shows a registration form for 'Myfridgeonline'. The title 'Myfridgeonline' is at the top with a Wi-Fi icon. Below it, a message says 'Carel has invited you to join as a User'. A link 'To get started, create an account' is present. The form fields include: Name\*, Surname\*, Email\*, Password\*, Confirm Password\*, Cell Number (with a dropdown for '+27'), Language\*, and three checkboxes for terms and conditions, privacy policy, and 3rd party support. A 'Submit' button is at the bottom.

Made in South Africa  
My Fridge Online  
Mfg. November 2025

Scan QR code  
to register device

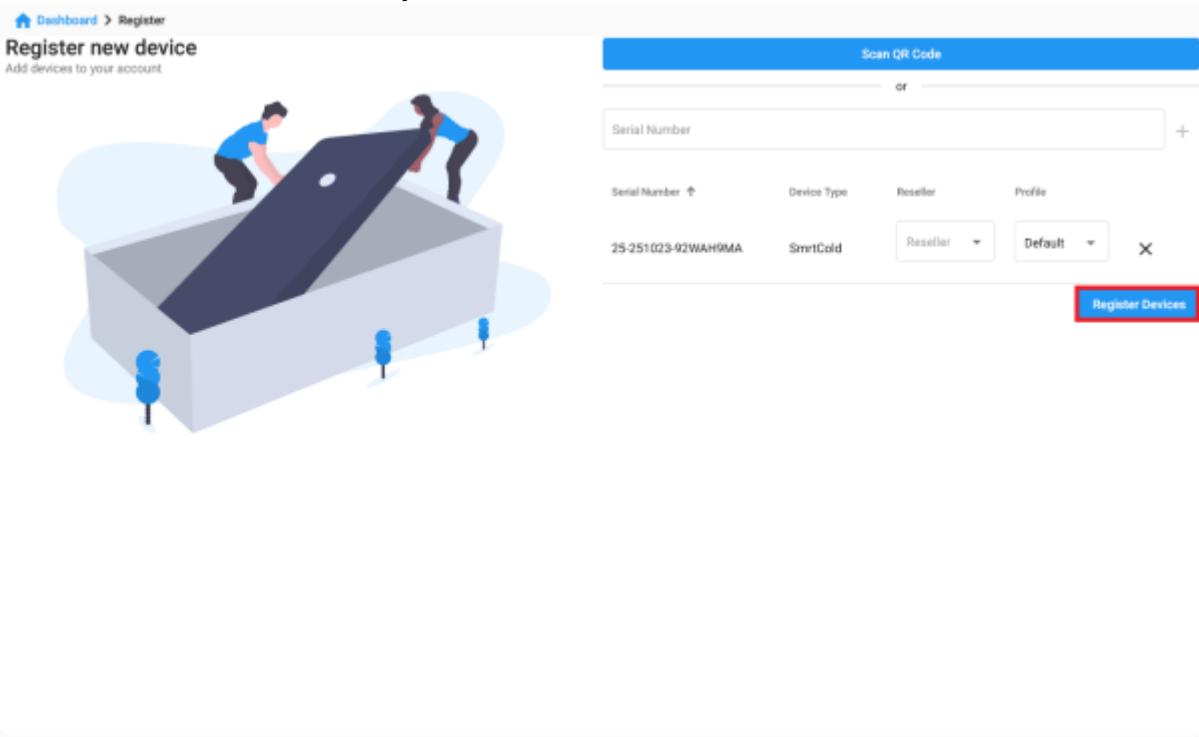

1. Device information. Includes Serial Number (SN). This is used to register device.

2. QR code used to register device by scanning

## Step 2: Registering a Device

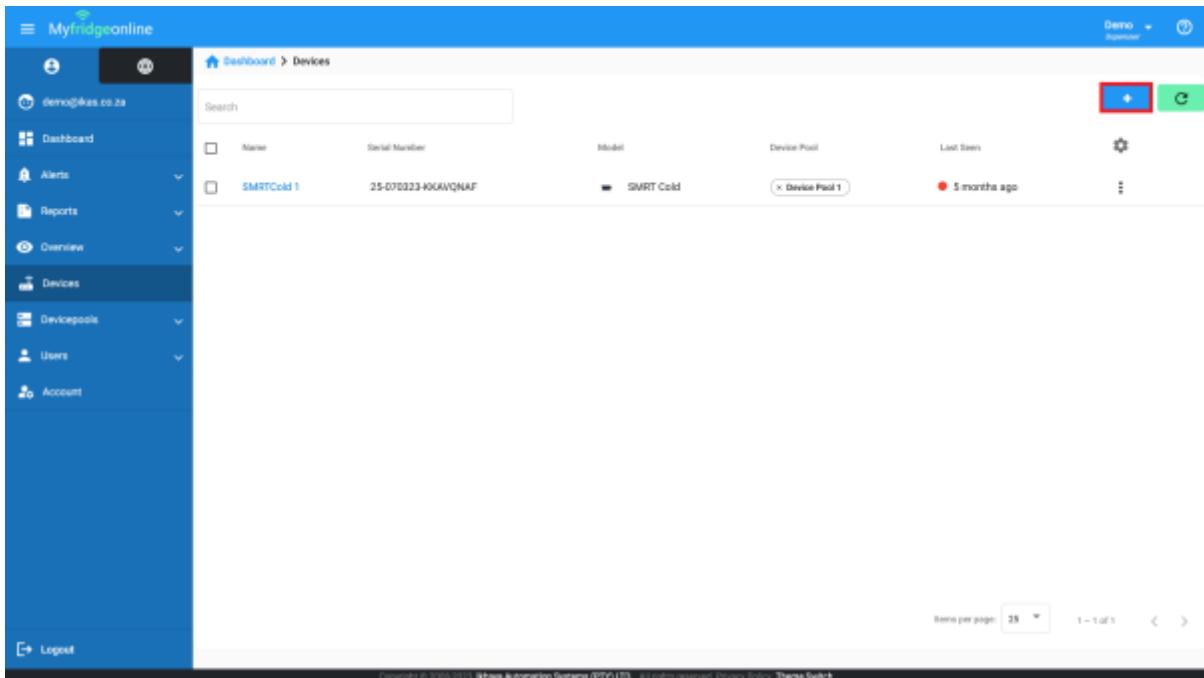

### Register Device by scanning QR Code (Auto)

1. In order to register your device, scan the QR code on the right side of the label. You will then be redirected to the device registration page.
2. Here the table will be pre-populated with your device serial number. Simply click on the **Register Devices** button in order to register your device.
3. The device will then be added to your account.

### Register Device with device serial number (Manual)

1. Navigate to the [www.myfridgeonline.com](https://www.myfridgeonline.com).
2. Then navigate to the devices page. The Devices page can be accessed from the side navigation bar by clicking on Devices.
3. Click on the '+' icon (register device) to access the Register Device page.

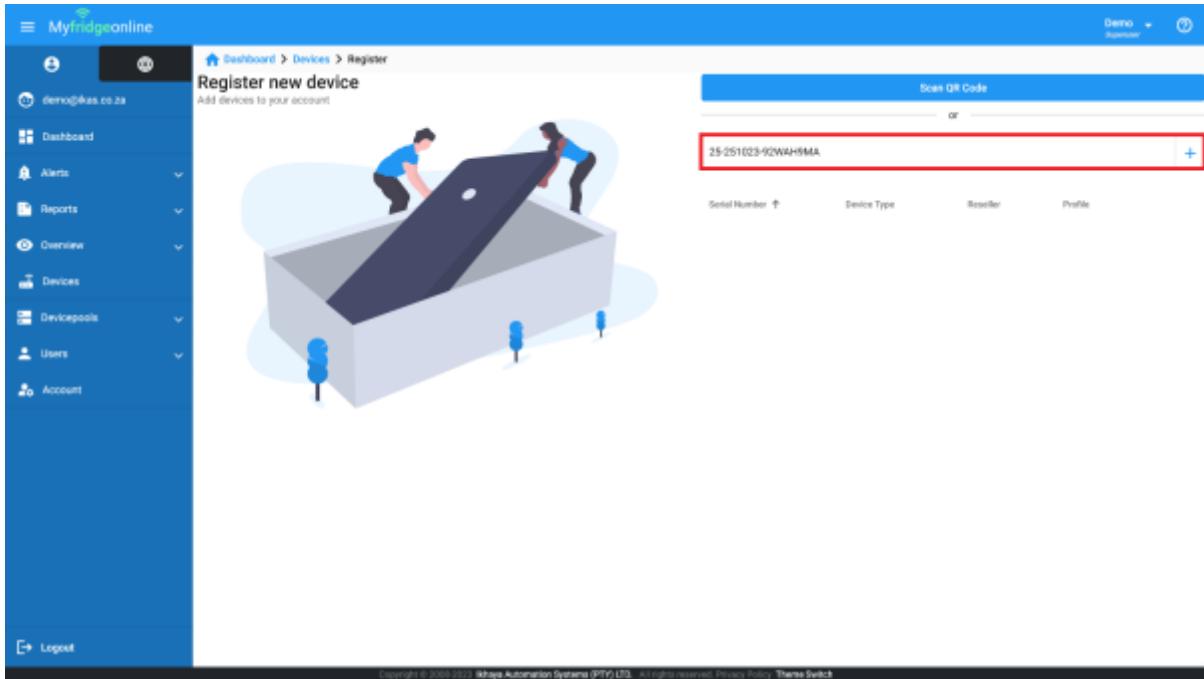

The screenshot shows the MyFridgeonline web interface. The left sidebar contains navigation links: Dashboard, Alerts, Reports, Overview, Devices (which is selected and highlighted in blue), Devicepools, Users, and Account. The main content area is titled 'Devices' and shows a table with one row. The table columns are: Name, Serial Number, Model, Device Pool, and Last Seen. The single device listed is 'SMRTCold 1' with serial number '25-070023-106WQN4F', model 'SMRT Cold', device pool 'Device Pool 1', and last seen '5 months ago'. A red box highlights the green '+' icon in the top right corner of the main content area, which is used to add new devices. The bottom of the screen shows a footer with copyright information and a 'Logout' link.

4. Enter the serial number of the device (located on the sticker attached to the device) into the dialog box and press the enter key or click on the '+' icon.

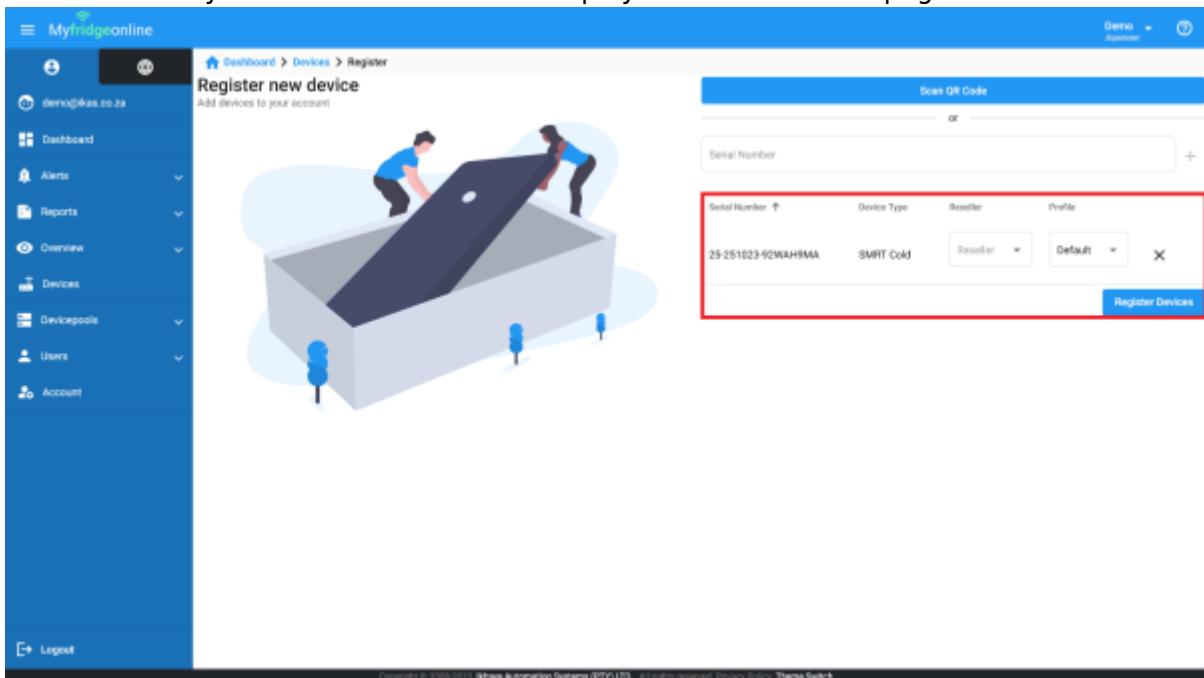

**NAME** **SMRT COLD**  
**SN** **SC2-221025-XXXXXXX**  
**IMEI** **356220750710680**
