

Redeeming A Subscription

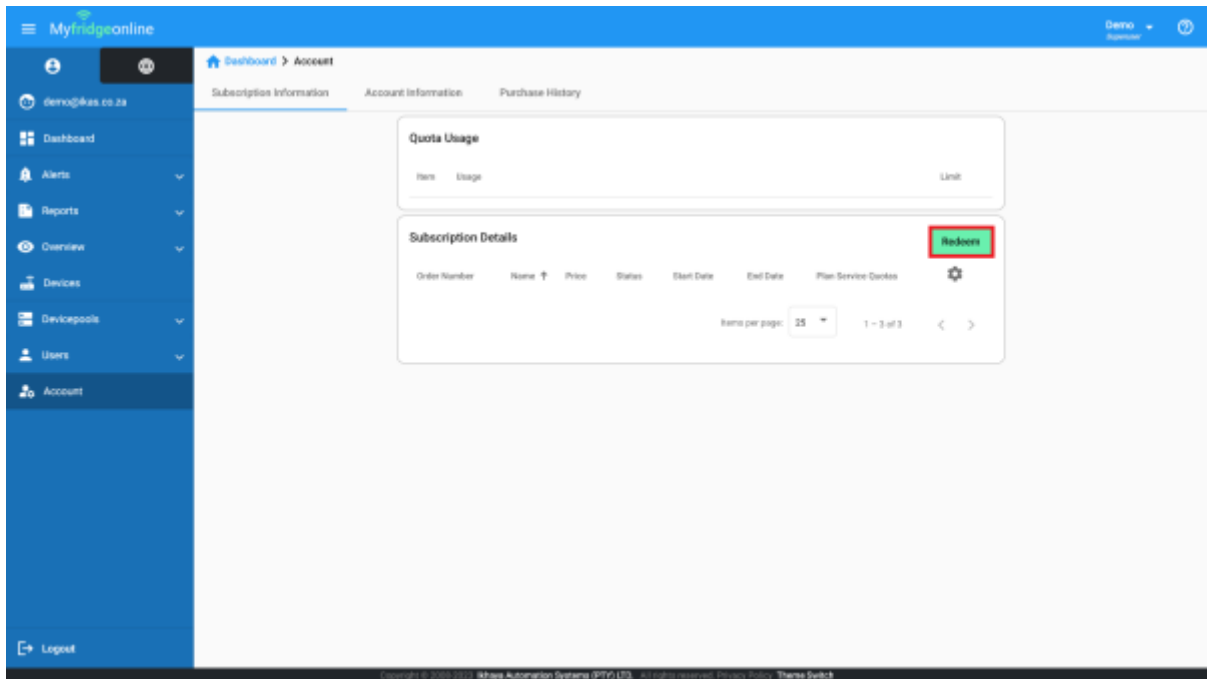

Redeeming a subscription from a voucher code

NB: If you are a reseller, please ensure you have selected the company you wish to redeem the subscription for. This can be done from the company dropdown at the top right.

1. From the side navigation menu, click Account to navigate to the account management page.

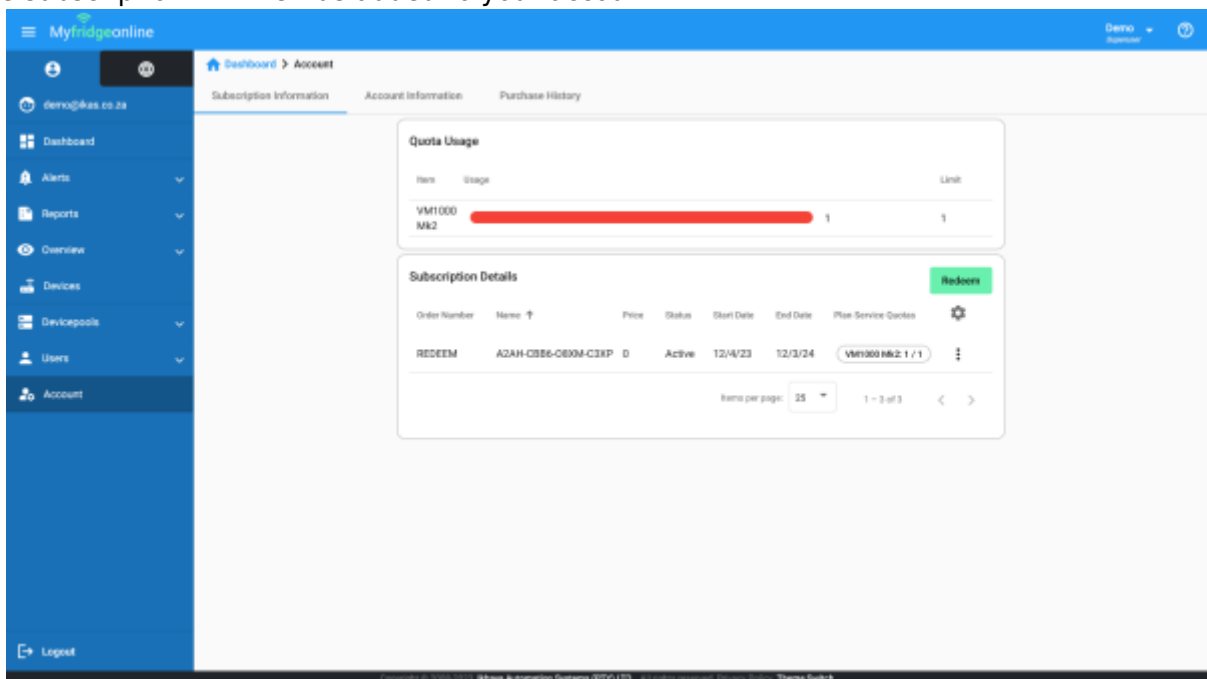

2. Here, click the Redeem button to open the subscription voucher redemption dialog.

3. In this dialog, enter your subscription voucher code and click submit.

4. The subscription will then be added to your account.
