

Website Navigation

Upon logging in to the Myfridgeonline, you will arrive at the Dashboard page. The dashboard type can be changed under your user settings.

Device Pool 1

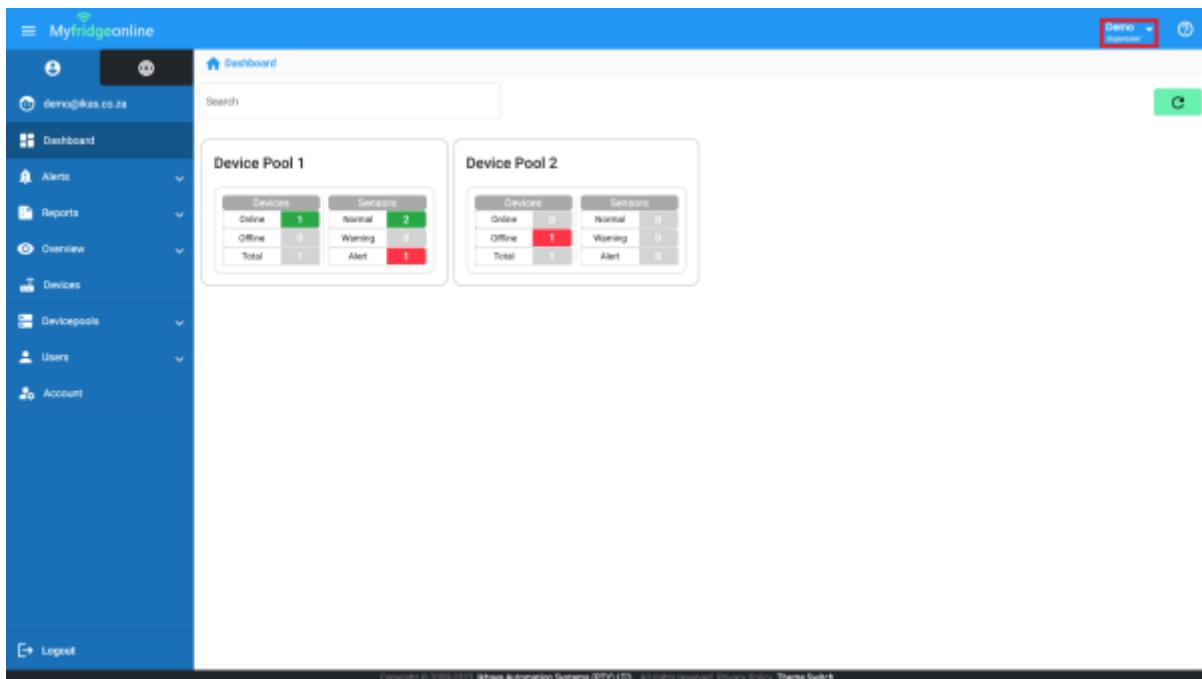

Devices		Sensors	
Online	1	Normal	2
Offline	0	Warning	0
Total	1	Alert	1

Device Pool 2

Devices		Sensors	
Online	0	Normal	0
Offline	1	Warning	0
Total	1	Alert	0

Here there are a few things for you to take note of.

On the top right is the company selector. If you are a part of multiple companies, clicking this will allow you to switch between them. This alters what you can view on the site, as you will now only see what belongs to the selected company.

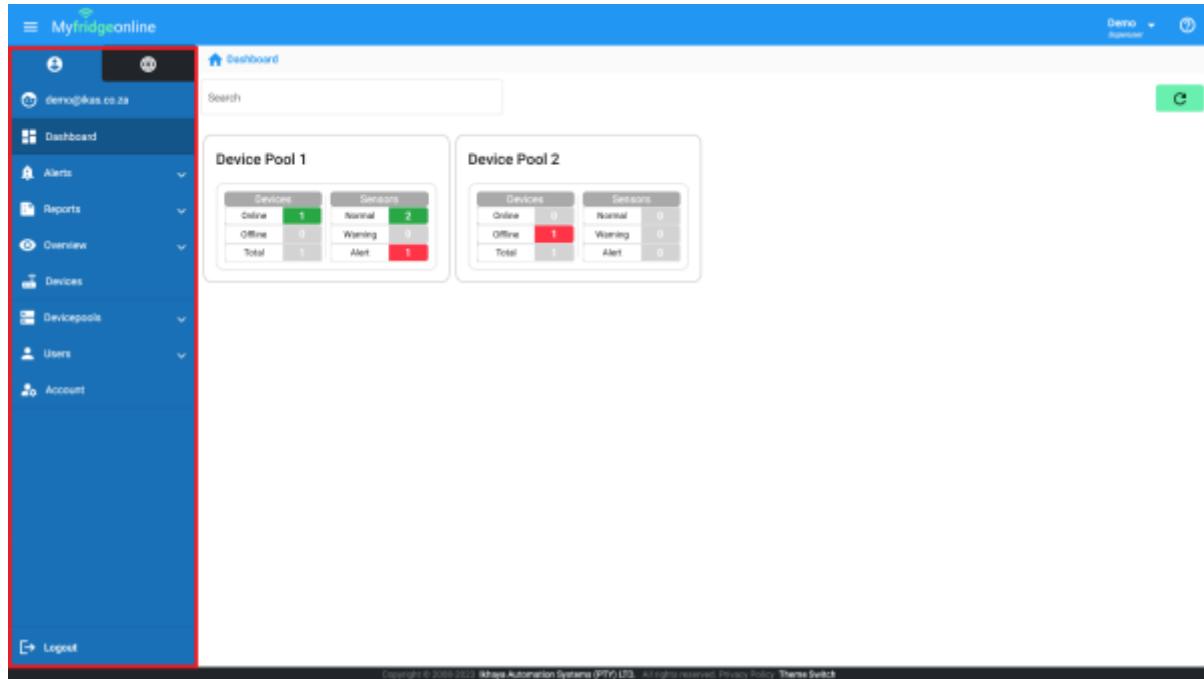

Device Pool 1

Devices		Sensors	
Online	1	Normal	2
Offline	0	Warning	0
Total	1	Alert	1

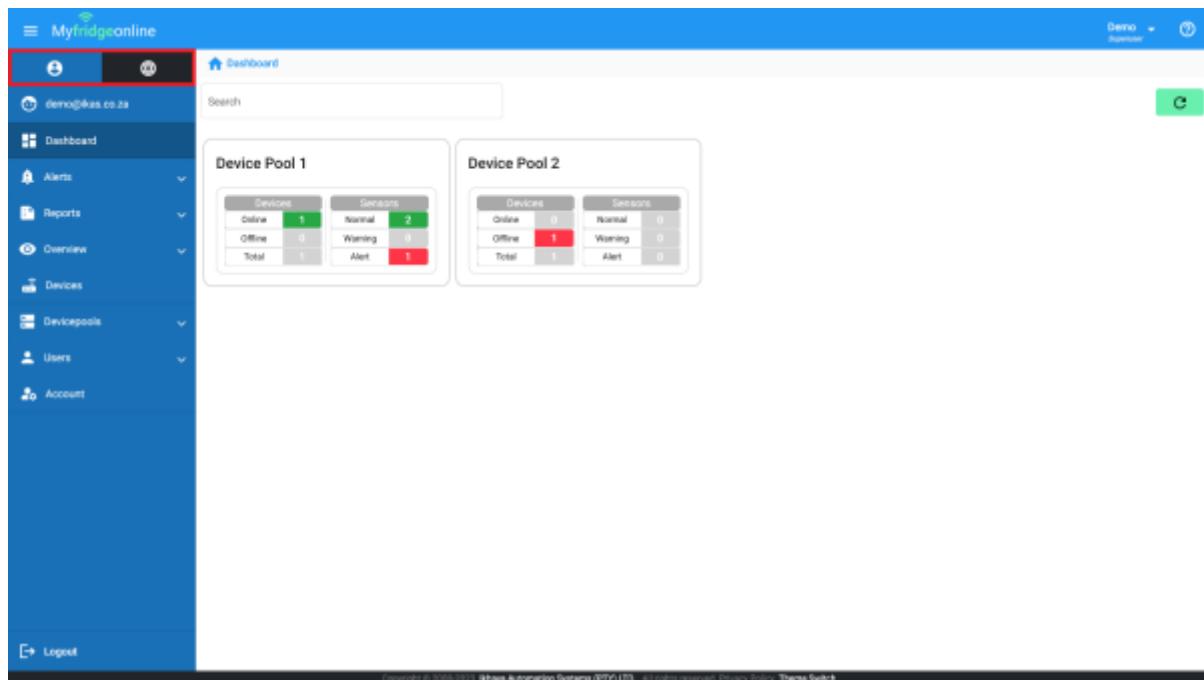

Device Pool 2

Devices		Sensors	
Online	0	Normal	0
Offline	1	Warning	0
Total	1	Alert	0

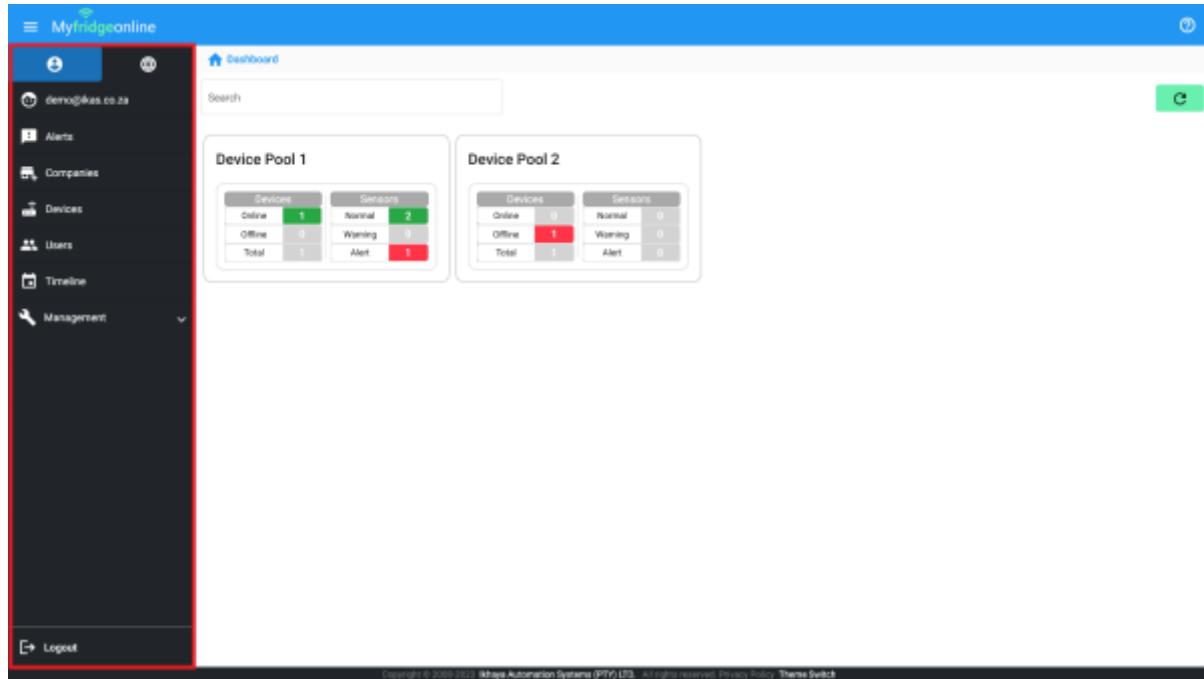

On the left hand side is the side navigation bar. This contains links to navigate you to other pages on the website.

If you have multiple companies associated with your account, you will also be able to view the management menu. Clicking on the globe icon will switch you to this menu.

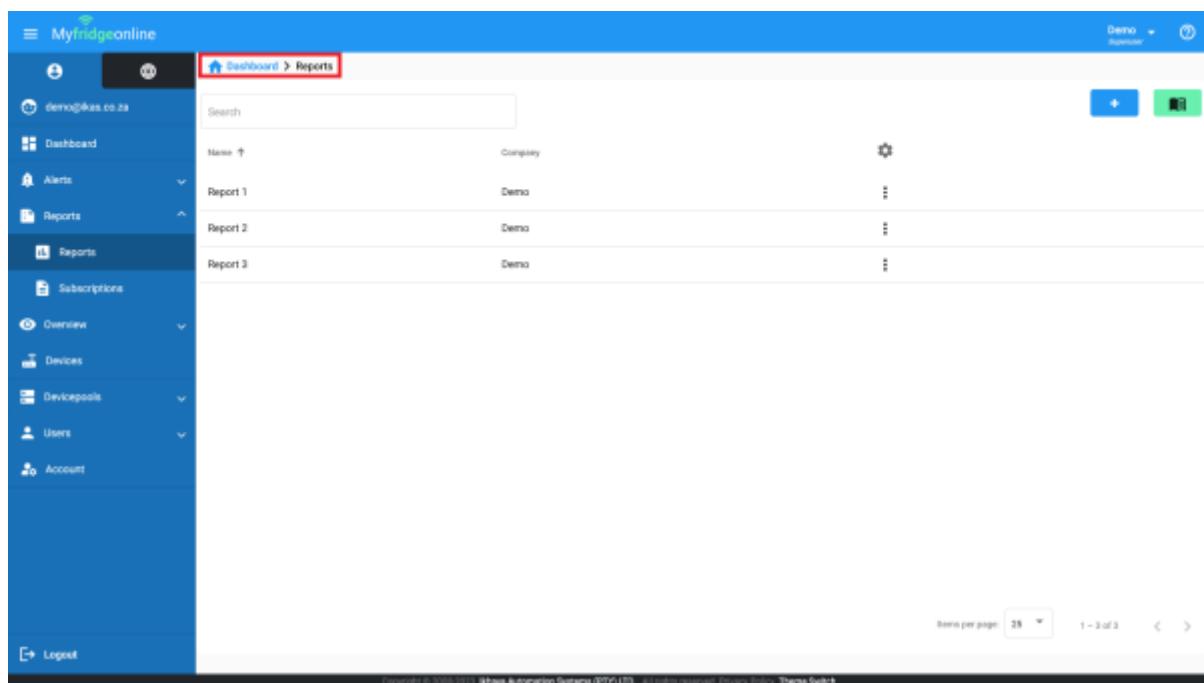

The pages on this menu will allow you to view all alerts, devices and companies that you have access to.

The screenshot shows the MyFridgeOnline dashboard. On the left is a dark sidebar with a red border, containing navigation links: Dashboard, Alerts, Companies, Devices, Users, Timeline, and Management. The 'Management' link is currently selected. The main content area is titled 'Dashboard' and features a search bar. Below it are two sections: 'Device Pool 1' and 'Device Pool 2'. Each pool has a table with four rows: 'Devices' (Online: 1, Offline: 0, Total: 1), 'Sensors' (Normal: 2, Warning: 0, Alert: 1), and two empty rows. At the bottom of the page is a footer with a 'Logout' link and a copyright notice.

Breadcrumb navigation allows you to navigate to pages you were previously on more easily. Clicking on the page name will route you back to the page.

The screenshot shows the 'Reports' page in the MyFridgeOnline system. The left sidebar is highlighted with a blue box and includes 'Reports' under the 'Reports' section. The main content area shows a table with three rows: 'Report 1', 'Report 2', and 'Report 3', all associated with the 'Demo' company. Above the table is a breadcrumb navigation bar with 'Dashboard > Reports'. The bottom of the page includes a 'Reports per page' dropdown set to 25, a page number indicator '1 - 3 of 3', and a QR code.
