## Report Options

In the options column, clicking on the 3 dots icon will open up a menu which contains 4 options (this may vary based on your user role).

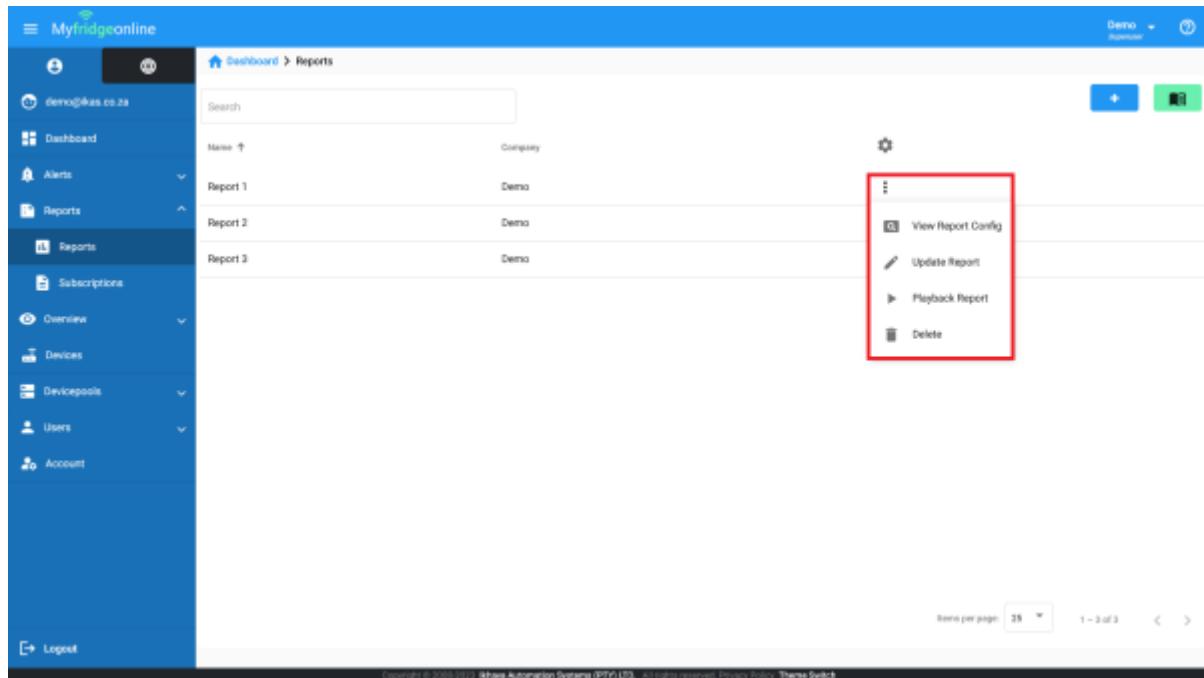

Clicking 'View Report Config' will open up the [Report View](#) dialog which will display the configuration of your report.

Clicking 'Update Report' will open the [Report Edit](#) dialog, where you can edit your selected report.

Clicking 'Playback Report' will open the [Report Playback](#) dialog, where you can playback your report

to receive it immediately.

Clicking 'Delete' will delete the selected report.

The screenshot shows the 'Reports' section of the MyFridgeOnline interface. On the left is a sidebar with navigation links: Dashboard, Alerts, Reports (selected), Subscriptions, Overview, Devices, Devicepools, Users, and Account. At the bottom of the sidebar is a 'Logout' button. The main content area shows a table with three rows: Report 1, Report 2, and Report 3, all under the 'Demo' company. To the right of the table is a context menu with four options: 'View Report Config', 'Update Report', 'Playback Report', and 'Delete'. The 'Delete' option is highlighted with a red box. At the bottom right of the page are buttons for 'Reports per page' (set to 25), '1 - 3 of 3', and navigation arrows.
