Creating A Report

Clicking the create report button will open the Create Report dialog. This will allow you to create a report.

Report Options

In the options column, clicking on the 3 dots icon will open up a menu which contains 4 options (this may vary based on your user role).

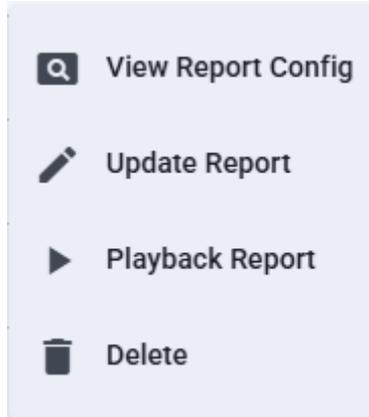

Clicking 'View Report Config' will open up the Report View dialog which will display the configuration

of your report.

Clicking 'Update Report' will open the [Report Edit](#) dialog, where you can edit your selected report.

Clicking 'Playback Report' will open the [Report Playback](#) dialog, where you can playback your report to receive it immediately.

Clicking 'Delete' will delete the selected report.
